

The concept of York Secret Helpers is quite simple. We are a 'Not For Profit' organisation which receives donations and distributes them to those in need in the York area. We are not connected to any known charities, although we welcome their assistance. We do not have any paid staff. Your donations will be gifted directly to those in need. If we have items donated which we can't find places for they will be sold to fund food parcels.

**It's as simple as that.**
